About Us

We are a design & animation studio based on Gadigal Country, SYDNEY. Founded by James Hackett & Jake Duczynski, we are passionate to push the nexus between design and story-telling with great characters, original scripts and innovative aesthetics. All of this is driven by a diverse, agile and multi-skilled team.

About the Role

You will primarily be responsible for motion-design, and when not designing or compositing you may be asked to help with secondary roles such as: animation, editing, background design & assisting junior animators and composers. You will work closely with Directors & Producers to help manage our team of designers and animators.

Studio Culture

- We actively encourage a collaborative, open environment where all crew can voice their thoughts, ideas and perspective.
- A healthy work place with flexible hours.
- Opportunities to learn from colleagues of all skill levels and diverse work backgrounds

- Daily dosage of ping pong, basketball and dog patting – all under our roof.
- Regular crew lunches and team events.

Application

Please include a short introduction / about you with a CV and some links to work that you are proud of. Please let us know your earliest possible start date.

Thanks, we look forward to hearing from you!
